Sample Plastic Products, Inc. remains on CreditWatch

Sample Plastic Products, Inc. will remain on Tarnell CreditWatch following a review of its Purchasing and Paying Record. Payment performance issues, including open balances and slow pay activity are reported. The company was originally placed on Tarnell CreditWatch in 1/2010. In an interview today, Purchasing Manager John Doe reported that a slowdown in the company's receivables collection period affected its ability to pay vendors according to terms. Mr. Doe said that significant improvements have been made and vendors are now being paid. PG 5/2010
